

PRAIVIT

Steenberg Estate

This luxurious boutique hotel is situated in the oldest vineyard of the country with the roots going back as far as 1682. It is a "National Monument" and consequently has been furnished with great detail and traditional antiques. It has several times been awarded the "Most luxurious hotel in Africa" which is not only down to its flair of past times but also personal service and delightful landscape. In addition to this a revered 18 hole golf course has been added to this vineyard.

LOCATION:

Constantia is located in the traditional wine growing region of South Africa. The small town offers lots of tranquillity and recuperation away from the hustle and bustle of Cape Town. At specified times there is a free transfer shuttle to Cape Town Waterfront.

Distances:

Cape Town: around 50 km / transfer time around 40 minutes.

Cape Town International Airport: around 40 km / transfer time around 30 minutes.

HOTEL DETAILS:

For more than 300 years has wine been produced in this region: Protected by Table Mountain and always a fresh ocean breeze coming from False Bay.

The historical hotel comprises of a main building, "Jonkerhuis" and a barn that has been extensively renovated. The suites are kept in elegant colonial country house style including classic elements.

The pools offer a beautiful view across the landscape and there are comfortable loungers, sun shades as well as snacks and refreshments at the pool bar.

The guests have a reception and 24 hour service at their disposal. Further there is a trip and tour service, car rental, laundry and ironing service and boutique available.

The small business and conference centre offers high quality technology, modern telecommunication and WLAN.

The "BistroSixteen82" offers fresh seafood, light cuisine and small snacks also on the terrace with a view of the mountain range. In-Room-Dining can be arranged on request. Wine tasting takes place in the old wine cellar at the fireplace. The tasting per person/stay is already included as is a short tour of the wine cellar.

BEAUTY & WELLNESS:

The spa provides five treatment rooms with heavenly views on the mountain backdrop. It offers a selection of therapies, massages and beauty treatments.

SPORTS:

Inclusive: Pool

Charge: Various excursions.

Golf: The hotel's own golf course is situated right next to the hotel. It provides 18-holes, par 72, and was designed by Peter Matkovich. The course stretches on 6.4 km and leads in two large circles to the club house. It starts amidst pine woods, then leads along a water hazard, large bunkers, slopes, narrow fairways in the landing area and then along a wide landscape with rocky mountain streams. Soft spikes are

mandatory. The golf course provides a club house and a pro shop. Electro carts, clubs and caddies can be hired.
